Sage Valley

“O” what a beautiful morning! Great taste and healthy whole grains make our Organic Honey Nut Oats the perfect way to start your day. Studies show that eating whole grains can lower your risk of heart disease. But we've made our whole grain goodness even better. Better for you. Better for the planet. Because certified organic ingredients keep our delicious Sage Valley Honey Nut Oats free from pesticides, artificial flavors and chemical preservatives. And we've packed every bite with heart-healthy organic almonds, essential vitamins and minerals with a kiss of organic honey for added nutrition and flavor.

Breakfast Makes Champions!

Breakfast isn't called the most important meal of the day for nothing! Eating a wholesome breakfast fills your hunger cells with glucose, the fuel they need for proper brain and body function after sleep. The result? More brain power, enhanced concentration, and even a better mood! What's more, breakfast lowers food cravings making weight control easier. And eating breakfast jump-starts your metabolism so you'll curb your appetite and burn more calories.

At Sage Valley, we're proud to bring you great-tasting natural foods prepared with care from "family-tested" recipes. We're picky about our products. We're passionate about our planet. So we search out only the best organic and all-natural ingredients from growers who share our commitment to sustainable agriculture and strong communities. Most of all, we're friends and neighbors too. We believe eating healthy should be delicious, and deliciously simple. That's our pledge, from all of us at Sage Valley to you. *Wholesome, hearty foods that are easy to enjoy and easy on your budget.*
